

FRESH FOOD BOX VOLUNTEER

Lantern Community Services is a homeless services non-profit that helps people who are formerly homeless or have recently aged out of foster care rebuild their lives. We do this through our supportive housing program, which is based on the latest evidence of what provides the most benefit to our clients. Our programs deal with health, employment, education, and life skills and are delivered inside our residences.

Our buildings are in the following locations:

- Manhattan (Washington Heights, the Upper West Side, and East Harlem)
- Brooklyn (Bed Stuy and Brownsville)
- The Bronx (Melrose, Claremont, Woodstock, and Tremont)

Lantern is currently looking for volunteers to give **1 to 2 hours a week** to help with our Fresh Food Box Program. Our FFB program helps keep our clients healthy by distributing fresh fruits, vegetables, and eggs to our clients for free every week. This includes:

- Helping to set up
- Making sure people sign in
- Giving out fruits, vegetables, and eggs

This is a great opportunity to help the most vulnerable members of our society and gain experience working with a non-profit organization.
